

ALL SASS RULES APPLY

In addition: Rules to Remember

Unless stated otherwise in the specific stage instructions,
the following covenants will apply:

1. All shotgun targets are "MUST KILLS" .
2. Shooters have the option of making up shotgun misses, in any order.
3. The term "Make it safe" means all long guns are pointed in a safe direction, with the action open and cleared on the rest where they came from, unless directed in the stage instruction.
4. Rifle and pistol rounds over the berm are a match DQ.
5. There is no hip shooting of any firearms. Shooting from the hip will be penalized by a 10 second safety, per gun, shot from the hip. Long guns must be shot while mounted on the shoulder. Anywhere else is considered from the hip.
6. Scoring is done using a Rank Point method.
7. Inner personal conflicts will not be tolerated.
8. Horizontal gun carts are not permitted.
